### **AUDITIONS:**

**Voices and Concert Choir: *March 2023*** (to be coordinated with the choral directors at each sending district) *If you do not attend one of the sending district schools, please email Mr. Mech directly to set up an audition in March. Regardless - please let either Mr. Mech or your current choir director know that you are interested in having an audition by Thursday, February 15th.*

- Students auditioning for these choirs should have some prior facility with music reading.
- Placement into one of these choirs is not only based on the audition, but also the number of spaces available in the choir by voice part and total enrollment.
- Students auditioning should bring a song to sing with piano accompaniment. The song may be a solo of any kind or a portion of their part in a song currently being sung in a choir.
- Students will be asked to vocalize.
- Students may be asked to read and clap rhythm patterns.
- Students may be asked to identify notes in treble and/or bass clef.

### **Collegium and Musical Theater Ensemble:**

- Students must complete one semester of any choir before requesting these courses.
- It is suggested that students complete the course "Theater Prep" with Mr. Pliskin before enrolling in Musical Theater Ensemble.

### **Chamber Choir**

- Students *must* be enrolled in Voices, Musical Theater Ensemble, Collegium, or Concert Choir for the coming school year to be eligible to audition for Chamber Choir.
- Auditions will be held on *Tuesday, June 11th* from 6:30-8:00 in B126 (choir room) at RV.
- Students will be asked to come prepared with a piece of a cappella music (provided by Mr. Mech in May) to sing with current members of the choir.
